# Just to note...

## OUR ANIMALS

We love our guests to enjoy the animals but please do not feed or pet them.

## OUR LAND

We would appreciate if you do not enter the fields or open any of the gates into the fields where our animals are located.

## LITTLE ONES

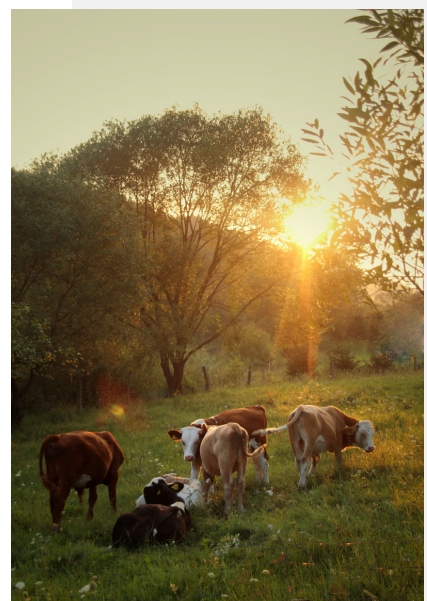

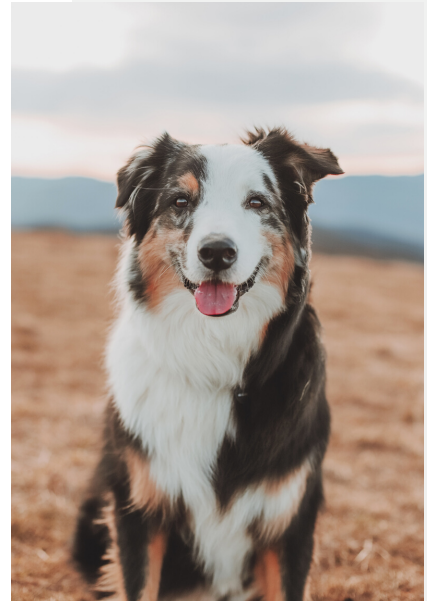

Children are welcome to use the trampoline, treehouse and children's swing please ensure that little ones are supervised as we cannot accept responsibility for any accidents.

## YOUR DOG

If you have brought a dog (s) with you to Dale End Farm it would be appreciated if you could keep your dog (s) on lead when walking up the drive. The Cow Shed does have an enclosed garden for your dog (s) to enjoy. Furthermore, we are fortunate to be surrounded by beautiful walks for you and your dog (s) to explore. Please be aware there are often livestock in the fields and your dog should be on a lead if you see livestock and especially at lambing time in spring;

## ECO

We try to be as eco friendly as possible therefore we would appreciate if you could recycle your waste you will see there are white plastic bins around the back which can be used to place your washed plastic, glass and paper.
